Director of U. S. Mint,
Philadelphia, Pa.

Dear Sir:

Please send me circular relating to New Designs for Coins, as I wish to submit a design for the same, and wish for full particulars regarding what inscriptions are required by law, and others that might be adopted, if acceptable.

I have given the matter much thought and study, and hope to see the present great diversity meaningless designs obliterated, as few, or none, seem appropriate, or even artistic.

Your most humble obedient servant

S. Walker
